This Pre-K to Grade 3 Handbook has been developed to share important and useful information with students and parents. As a reference guide, this handbook will answer many of your questions. For information not covered in this guide, you may call the school office. There is also a district website - [www.rutherfordschools.org](http://www.rutherfordschools.org). Board of Education policies, regulations and curriculum guides are posted on the website. Please note that sections of the Code of Conduct are included in this handbook. The complete Code of Conduct can be found under Quick Links or here: [Code of Conduct](#)

Each year the faculty and staff look forward to working with students and their caregivers. By working together, we weave a fabric of consistency between home and school and create a climate where they are mutually supporting. Through our partnership we can provide a quality learning experience for all of our children. Best wishes for a successful year.

## **THE PHILOSOPHY OF THE RUTHERFORD PUBLIC SCHOOLS**

We believe that the Rutherford Public Schools should provide a curriculum that will satisfy the educational needs of our children in a democratic society. It should be modified periodically to satisfy ever-changing conditions. To this end, we will strive systematically to develop the individual's moral, mental, physical, social, emotional, and aesthetic growth. Therefore, we believe that the Rutherford Public Schools should:

1. Develop competence in reading, writing, arithmetic, and other fundamental basic skills.  
tools for continued learning.
2. Develop the ability in each student to solve problems. To this end we will endeavor to:  
Teach the child to think in an organized manner and to come to logical conclusions.  
Develop critical and constructive thinking in our children.  
Develop the ability to analyze, evaluate, and interpret.
3. Encourage the child to think creatively, to be inventive and to explore novel situations.
4. Develop responsibility in each student for the student's own actions. To this end we will endeavor to:  
Encourage the child to recognize oneself as an individual with a distinctive personality.  
Develop each child to maximum potential.  
Develop a genuine love of learning.  
Help a child to realistically recognize and develop their own capabilities.  
Help the child to use leisure time advantageously by broadening own field of interest.  
Develop an awareness of the dignity of all types of work.  
Help the child to become a productive member of society.
5. Help the child develop an understanding of others. To this end we endeavor to:  
Develop a fundamental understanding of and pride in the philosophy of our democracy and our society.  
Bring about a greater understanding of the democratic process.  
Develop knowledge of our cultural heritage.  
Help the child to develop respect and tolerance for the abilities, personalities, beliefs, and customs of others.

**RUTHERFORD BOARD OF EDUCATION**

The Rutherford Public Schools are governed by an elected Board of Education consisting of nine members. The meetings, held at 7:30 p.m., are designed to permit the Board to discuss items that pertain to the running of the school system and to take action on matters. All BOE meetings are open to the public for comment at two points on the agenda.

Executive Sessions are held as needed in keeping with the Open Public Meetings Law and are announced as to purpose. Executive Sessions are not open to the public.

All meetings are advertised in local newspapers and a yearly schedule of meetings is posted on the district's website, the public library, the municipal building, the post office, and the central office. Minutes of Board of Education meetings are available in the Board Office and on the district's website.

The school election is scheduled for November. Voters choose members of the Board of Education at that time.

Anyone registered to vote in general elections may vote in school elections. Absentee ballots for school elections may be obtained by visiting or writing to the County Clerk's Office in Hackensack not less than seven days before the election, stating your home address, and the address to which the ballot should be sent.

**LINCOLN SCHOOL, 414 Montross Avenue****DROP-OFF AND PICK-UP****Student drop-off Grades 1-3**

Crossing guards are on duty **from 7:30 a.m. until 9 a.m. and from 2 p.m. to 4 p.m. each school day**. All students shall enter school through the doors on Vreeland or Montross Avenues. All late arrivals after 8:35 a.m. shall enter school through the main door and should report to the main office. Students must then be signed in by a caregiver when arriving late.

Students should not arrive at school before 8:20 a.m. since there is no supervision for the children before this time. If you are unable to watch your child until 8:20 a.m., you should enroll your child in the before school care program – [Bulldog Care](#). Please contact 201-726-2389 or [bulldogcare@rutherfordschools.org](mailto:bulldogcare@rutherfordschools.org) to enroll.

The safety and well-being of the children is our prime concern; obeying the law is a must. For these reasons we do not condone double-parking around our buildings. There are drop-off lanes on Vreeland and Montross Avenues. Caregivers must pull up to the cones and have students exit. These lanes should not be used by families that need extra time or need to watch students walk to the door. Caregivers must stay in the car as students independently exit. School personnel cannot assist students exiting their car. Caregivers that wish to park in a legal spot and walk to school may walk their children to the drop off location.

**Pre-K** - Students will enter and exit via the main doors at 414 Montross Ave. Caregivers must stay with children until the teacher arrives at the beginning of the day. Caregivers do not wait in the building.

Students in the **K-1 and 2-3 Learning Center Programs** enter via the front doors at 8:45 a.m.

**Tardiness:** The doors will be closed at 8:35 a.m. Students arriving after 8:35 a.m. must enter through the front doors of the school accompanied by a caregiver. The caregiver must sign the child into school. Caregivers should never drop a child off and leave the area if that child is in danger of being late. Students will receive a detention on the sixth tardy and on every third tardy thereafter. A parent/guardian conference will be held to address tardiness.

**Lincoln School Student pick-up-** **Grade 3** students exit out the main entrance on Montross Ave. **Gr.1** students exit from the Phys. Ed. /Stage doors on Vreeland (near playground). **Gr. 2** students exit out the Pierrepont Ave. doors. Again, there is no double parking at dismissal. **Pre-K** students exit out front doors at 11:30 a.m. or 3:00 p.m. Students must be dismissed to an adult or assigned caregiver who is listed on the [Dismissal Authorization form](#) completed during PowerSchool enrollment. Caregivers should check the monthly calendar or website for posted early dismissals. For students to be picked up by a sibling or to leave school unescorted, a [Dismissal Permission Slip](#) must be submitted by a parent or legal guardian.

Students in the **K-1 and 2-3 Learning Center Programs** leave via the front doors at 2:45 p.m.

### **Late Pick-Up**

We understand emergencies occur, but frequent late pick-ups (defined as more than 5 times) will result in students being placed in Bulldog Care. Parents or guardians will be charged for per diem services.

## **KINDERGARTEN CENTER, 109 Sylvan Street** **DROP-OFF AND PICK-UP**

Crossing guards are on duty **from 7:30 a.m. until 9:00 a.m. and from 2:00 p.m. to 4:00 p.m. each school day**. All students shall enter school through the front doors on Sylvan Street. All late

arrivals after 8:45 a.m. must enter through the main lobby doors and be escorted to the main office to be signed in by a caregiver when arriving late.

Students should not arrive at school before 8:30 a.m. since there is no supervision for the children before this time. If you are unable to watch your child until 8:30 a.m., you should enroll your child in the before school care program – [Bulldog Care](#). Please contact 201-726-2389 or [bulldogcare@rutherfordschools.org](mailto:bulldogcare@rutherfordschools.org) to enroll.

The safety and well-being of the children is our prime concern; obeying the law is a must. For these reasons we do not condone double-parking around our buildings. The morning drop-off lane is indicated by cones along Highland Cross and Sylvan Street. All traffic should approach Highland Cross from Mountain Way. Caregivers must pull up to the furthest cone on Sylvan Street and all subsequent cars on Sylvan Street to Highland must have their child exit. These lanes should not be used by children who cannot exit independently from the car, families that need extra time, or by caregivers that need to watch students walk to the door. Caregivers must stay in the car as the students exit independently. School personnel cannot assist students exiting their car.

Caregivers that wish to park in a legal spot and walk to school may walk their children to the front of the building. Caregivers may not enter the school. Please note that the traffic patterns of Highland Cross and Sylvan Street are adjusted during drop-off and pick-up times and this should be taken into consideration when arriving.

**Pick-up Locations:** Students are dismissed at 4 separate locations by class at 2:35 p.m.

Ms. Ruglio and Ms. Bomzer:	Dismiss from the front of the building on Sylvan Street.
Ms. Parkinson and Ms. Cocoz:	Dismiss from the rear of the school, exiting from the MPR.
Ms. Rim and Ms. Witalis:	Dismiss from doors facing the playground on Highland Cross.
Ms. Kratzer and Ms. Sayre:	Dismiss from the lobby doors on the north side of Sylvan Street.

## **WASHINGTON SCHOOL, 89 WOOD STREET**

### **DROP-OFF AND PICK-UP**

#### **Drop-Off for Grades 1-3**

Crossing guards are on duty **from 7:30 a.m. until 9 a.m. and from 2 p.m. to 4 p.m. each school day**. Students in Grades 1-3 are expected to enter the school building between 8:20 a.m. and 8:35 a.m.

**Students should not arrive at school before 8:20 a.m** since there is no supervision for the children before this time. Caregivers should not drop children off and leave children unattended prior to 8:20 a.m. If you are unable to watch your child until 8:20 a.m., you may choose to enroll your child in the before care program – [Bulldog Care](#). Please contact 201-726-2389 or [bulldogcare@rutherfordschools.org](mailto:bulldogcare@rutherfordschools.org) to enroll.

There is a “**drop off only**” zone for students in grades 1-3 along the Washington Avenue side of the school. Caregivers using the designated lane must stay within the cones at all times. Students must exit their vehicles unassisted on the curb side only and when their car is one of the first three (3) cars in the line. Caregivers must remain in their cars and exit the drop-off lane immediately after their child has safely exited their car and reached the sidewalk.

**First grade** students will enter through Door 6. **Second grade** students will enter through Door 2. **Third grade** students will enter Door 1. Students will proceed directly to their classrooms.

Caregivers who choose to walk their child to the school door should park their cars on the streets away from the school building. ***Caregivers and students should not cross in front of, or through, the drop-off lane. All caregivers and students should cross by the crossing guard at the corner of Wood Street and Washington Avenue.***

### **Tardiness**

The triple doors will be closed at 8:35 a.m. Students arriving after 8:35 a.m. must enter through the front doors of the school accompanied by a caregiver. The caregiver must sign the child into school. Caregivers should never drop a child off and leave the area if that child is in danger of being late. Students will receive a detention on the sixth tardy and on every third tardy thereafter. A parent/guardian conference will be held to address tardiness.

### **Drop-Off for Pre-K**

Students in the Pre-K Full-day and Pre-K 3 classes enter through the triple doors (Door #6) by 9:00 a.m. Students in Pre-K 4 enter through the Library door by 12:30 p.m. All Pre-K students must be accompanied by a caregiver.

### **Pick-Up for Pre-K – Grade 3**

All Pre-K students are dismissed from the triple doors at 3:00 p.m. Grade 1 students are also dismissed from the triple doors (Door 6). Grade 2 students are dismissed from doors 1 and 2 at the rear of the original building. Grade 3 students are dismissed from the main doors in the front of the building. Students in Grades 1-3 are dismissed at 3:05 p.m.

All Pre-K students should be picked up by a parent or designated guardian. Students in Grades 1-3 should be picked up by a parent, a designated guardian, or a responsible sibling. Students will only be dismissed to those persons listed on the [Dismissal Authorization form](#) you complete during PowerSchool enrollment. For students to be picked up by a sibling or to leave school unescorted, a [Dismissal Permission Slip](#) must be submitted by a parent or legal guardian. These forms can be found on the school web page.

### **Safety**

The safety and well-being of our students and their families is our utmost priority. With this in mind all of the afore-mentioned provisions will be enforced. **In addition, double-parking and parking within the yellow curbs or stop signs is completely prohibited during Drop-Off and Pick-Up.** The Rutherford Police Department will be enlisted to enforce these policies.

### **Late Pick-Up**

We understand emergencies occur, but frequent late pick-ups (defined as more than 5 times) will result in students being placed in Bulldog Care. Parents/guardians will be charged for per diem services.

### **BULLDOG CARE - SCHOOL AGE CHILD CARE- Grades K-3 only**

[Bulldog Care](#) provides a variety of care programs, which meet the needs of most caregivers. There are before-school programs and after-school programs at Lincoln School, Washington School, and the K Center. Starting and ending times vary according to the program. For more information contact 201-726-2389 or email [bulldogcare@rutherfordschools.org](mailto:bulldogcare@rutherfordschools.org).

### **VISITORS**

To ensure the safety of our children, it is imperative that all visitors enter through the front door and report directly to the office. The office staff will then direct the visitor to their destination. Visitors will be required to wear a "Visitor" pass. For safety reasons, caregivers are not permitted to walk students to their classrooms or hold the door to allow another visitor to enter.

### **SMOKING ON SCHOOL PROPERTY**

Please be aware that it is illegal to smoke/vape on school grounds and in school buildings.

### **SURVEILLANCE**

The BOE authorizes the use of electronic surveillance systems in school buildings and on school grounds to enhance security.

### **DOGS ON SCHOOL PROPERTY**

Please do not bring dogs or other animals, unless service dogs, onto school grounds. While many dogs accompanied by owners are leashed and well-behaved, a number of our students and parents/guardians are afraid of dogs of any size. Having a dog on the property could result in an accident should a dog become excited by running children or strange noises that often present themselves on our grounds. If you decide to bring a leashed dog with you to school, please remain on the sidewalks.

### **EARLY DISMISSAL DUE TO INCLEMENT WEATHER**

In the event that a decision is made to close school early prior to the start of the day because of inclement weather, sessions will be as follows:

Pre-K 3-----	8:30 a.m. - 10:30 p.m.
Pre-K 4-----	10:30 a.m. - 12:30 p.m.
Full-day Pre-K-----	9:00 a.m. - 12:25 p.m.
Gr. 1 – 3 & K-3 Learning Center--	8:30 a.m. - 12:30 p.m.
Grade K-----	8:45 a.m. - 12:45 p.m.

No lunch will be provided on early dismissal days.

Please note the **Bulldog Care does not run its afternoon program on emergency closing days** and students must be picked-up at the end of their day. Morning care is held during its regular times.

## **DELAYED OPENING DUE TO INCLEMENT WEATHER**

The following procedure will be used for delayed openings:

1. Students in Gr. 1-3 and K-3 Learning Center will report by 11:00 a.m. and be dismissed at 3:10 p.m. Students will be admitted into the building between 10:40 a.m. and 11:00 a.m.
2. Kindergarten students will attend from 10:30 a.m. until 2:35 p.m.
3. Pre-K 3 attends from 11:00 a.m.-1:00 p.m. and Pre-K 4 attends from 1:00 p.m.-3:00 p.m.
4. No lunch period will be provided.
5. Students should bring a large snack.

There is **no before-school care**, but Bulldog Care does have after-school care on these days for students in grades K-3.

## **HOW DO I FIND OUT ABOUT SCHOOL CLOSINGS, DELAYED OPENINGS, AND EARLY DISMISSALS?**

1. The Blackboard Connect System will be activated. If there is a block on your phone, the call will not go through. (See Below- Blackboard Connect)
2. Go to the Rutherford website - [www.rutherfordschools.org](http://www.rutherfordschools.org)

## **EMERGENCY – Blackboard Connect Calling System**

As part of the continuing efforts to maintain security in the district schools, the Rutherford School District will use the Blackboard Connect System in cases where schools will be closed for emergency reasons. Blackboard Connect places an automatic call, text message, and/or email to contacts provided to the school(s).

This system will be used in the event of an unanticipated need to close school during the school day or any reason deemed necessary.

If school is closed for the day, the primary contact number will be called either the evening before or early morning. However, if there is an early dismissal or emergency, additional numbers will be contacted.

## **EMERGENCY CONTACTS**

It is imperative that the school has accurate information regarding emergency calls. Please be sure that all phone numbers and email addresses are accurate and updated. If you change a phone number or email address, we must be informed. It is important that caregivers arrange to have emergency contacts in place. Please select three emergency contacts other than legal guardians.

## **WHAT DO I DO WHEN MY CHILD NEEDS TO LEAVE SCHOOL EARLY? – LATE ARRIVAL/EARLY DISMISSAL POLICY**

The Board of Education requires that pupils be in attendance for the full school day in order to benefit from the instructional program. You are encouraged to make all doctor, dental, and other appointments for your child after school hours to ensure that your child receives their full education program and is not disruptive to their peers. That requirement will be waived only when compelling circumstances require that a pupil be late to school or dismissed from school before

the end of the school day. If an early dismissal or late arrival is absolutely necessary, a note to the teacher (office) must be provided. It should state the date and time of dismissal (arrival) and the reason for this change. A late/early dismissal may include, but need not be limited to, medical and dental appointments that cannot be scheduled outside the school day, medical disability, court appearances, etc. Please also refer to the Student Attendance Policy section. Parental support in this matter is appreciated.

No pupil will be permitted to leave the school before the end of the school day except in the presence of the pupil's parent or an agent of the parent. The principal will maintain a record of the parents or guardians of each pupil. If one parent has been awarded custody of the pupil in a settlement of divorce and wishes to limit the non-custodial parent's access to the pupil, the parent with custody must inform the principal of such legal limitations and provide legal documentation of such. No pupil who suffers an incapacitating medical disability or illness will be released from the school except to the care of an adult.

For students in grades K – 3, your child must be in school for four instructional hours in order to receive credit for the day.

## **HOMEWORK**

Homework is an academic activity engaged in by the students outside of class. The primary objective of homework is to foster a sense of student responsibility for the learning process through tasks requiring time and decision-making at home. Homework is intended to:

- 1) Provide essential practice in skills and academics.
- 2) Enrich and extend classroom assignments.
- 3) Build positive work and study habits.
- 4) Provide experiences in gathering data.
- 5) Develop self-discipline and integrity.
- 6) Communicate learning objectives with caregivers.

If a child consistently states that they do not have homework or that the homework was completed in school, the caregiver should contact the teacher for verification.

**Role of the Teacher:** The teacher should provide help in developing good study skills and make certain the homework assignments are purposeful, clear and have meaning. Homework assignments should be checked regularly; comments or grades are appropriate and may occur. It is essential that teachers inform caregivers if students are not completing their homework.

**Google Classroom:** Teachers may utilize the Internet to post homework assignments and class announcements. This is done via a site called *Google Classroom*. You can access this site by going to our home page - [www.rutherfordschools.org](http://www.rutherfordschools.org) - clicking on Lincoln School, Washington School or the Kindergarten Center, and then on the teacher's link.

**Role of the Pupil:** The pupil should assume responsibility for completion of homework in a timely manner. Questions about homework should be asked of the teacher before leaving school.

**Role of the Caregiver:** The caregiver should try to provide a home atmosphere that is conducive to learning. The caregiver should provide a quiet area for the child to work, encourage the child to study and to complete the homework assignments, and have supplies handy. Caregivers should give assistance which enables children to think for themselves when completing homework assignments. The caregiver should write the teacher a note if a child is struggling with an assignment rather than completing the work for the child.

### **How much time should be spent on homework?**

The amount of time that students spend on homework will vary from grade to grade and according to circumstance. The following times are established **as guidelines** for each grade level. There may be times in which there is no homework assigned and there may be other times when the time is exceeded. In addition to homework time, caregivers should set aside some time on a daily basis for their child to read for pleasure.

Grade K	- 15 minutes daily, 4 times per week
Grade 1	- 20 minutes daily, 4 times per week
Grade 2	- 30 minutes daily, 4 times per week
Grade 3	- 40 minutes daily, 4 times per week

### **Homework During Absences**

All homework assignments and class work that occur during a student's absence must be made up in a timely manner. The student (or caregiver) should seek out the teacher to determine what work was missed and when the work should be completed. Absences incurred because of family vacations will not be excused. Classwork/homework is not given ahead of time for travel. The student(s) will receive missed work when they return to school.

### **Request for Homework**

If a caregiver wishes to request homework for a student who is absent due to illness, this request must be called into the school office by 9:00 a.m. Homework should be picked up in the main office at the end of the school day. Some teachers are instructing until the last period and cannot get homework ready earlier. Caregivers can also use the teacher's *Google* page to obtain assignments. Homework/classwork is not provided to students in advance of vacations.

## **REPORTING TO CAREGIVERS**

The Rutherford Board of Education believes that caregivers and teachers are partners in the educational process. Within this cooperative working relationship, caregivers have the right to know how their children are progressing in school. It is essential that a child's progress be reported to caregivers on an ongoing basis to facilitate a cooperative home-school effort which encourages and supports student learning.

Methods of communication may include Back-to-School Night, telephone contacts, email, caregiver-teacher conferences, written progress reports, and trimester report cards. Caregivers should be encouraged to participate in the educational process and to feel free to initiate contact with the teacher. Caregivers should not ask for a conference at the dismissal door as this is not a

confidential setting and teachers are supervising. Telephone or in-person conferences can be arranged by writing, emailing the teacher, or calling the office to schedule an appointment.

The school district annually initiates a planned conference between the caregivers of all Pre-K to grade 3 students and their teachers. The dates are listed on the school calendar.

### **STUDENT PROGRESS REPORTS (Grades K – 3)**

Teachers are expected to send home Progress Reports whenever a student's work is below expectation or significantly drops over time. The student generally receives the Progress Report at the midpoint of each trimester; however, a teacher may send the Progress Report home at any time. Progress Reports need to be signed and returned to school.

### **STUDENT REPORT CARDS (Grades K – 3)**

The report card is developmentally and sequentially based. It talks about children in the process of learning and assumes that children will move through developmental stages and skill levels. Through the year(s), the report cards will show continual learning progress from Preschool through Grade 3. It gives caregivers a sense of specifics being taught, as well as the expectations for their child. The grading practices and policies in grades Pre-Kindergarten through Grade 3 are as follows:

1. Students/Parents/Guardians have the right to learn about progress.
2. Students at these grade levels will be assessed on academic ability. Assessment may include tests, quizzes, homework, projects, reports, work samples and teacher observation.
3. Students may also be assessed on any or all of the following: effort, preparedness, age-appropriate motor skills, responsibility, participation, and/or ability to follow directions.
4. The report card is standards-based with grades as follows:
  - For grades Pre-Kindergarten 3 to Grade 3 – Level of Performance
  - 4 Exceeding expectations
  - 3 Meeting expectations
  - 2 Working toward expectations
  - 1 Not meeting expectations
  - NA Not assessed at this time.

Parents/Guardians must log into [PowerSchool](#) accounts to view their child's report card.

### **ASSESSMENTS**

The assessment program of the Rutherford Public Schools is guided by a Board policy that calls for an annual assessment of students and for a report of each assessment to be given to parents/guardians. In addition, the New Jersey State Department of Education mandates testing in grade 3 to determine each student's progress toward meeting the requirements of the New Jersey Student Learning Standards.

Grade 1 - Student progress is assessed through a combination of year-end assessments from the language arts/literacy program, the mathematics curriculum, and writing program. The students also take the LinkIt assessment in language arts and math.

Grades 2 - CogAT test; Student progress is assessed through a combination of year-end assessments from the language arts/literacy program, the mathematics curriculum, and writing program. The students also take the LinkIt! assessment in language arts and math.

Grades 3 - State-mandated assessments such as NJSLA; the students also take the LinkIt! assessment in language arts and math.

## **PROMOTION AND RETENTION**

Promotion in grades K through 3 shall be based upon consideration of each child's academic achievement as determined by teacher judgment, using report card grades, achievement and intelligence testing, as well as daily teacher observation of the student. Social and emotional maturity will also be considered. As per BOE policy, the principal makes placement determinations. Students with more than 18 absences will be retained.

## **PHYSICAL EDUCATION**

1. The footwear in class must be sneakers that are designed for the activity. Boots and shoes are not appropriate for running and movement activities in the physical education class.
2. Watches and jewelry (chains, rings, earrings, bracelets, pins, etc.) may not be worn to class. Students who plan to have ear/body piercing procedures should only schedule them during the summer vacation period to minimize loss of instruction in physical education. Despite the need to leave the jewelry in place during the healing process, students will not be allowed to wear jewelry during physical education class. Such students will not be medically excused from participation requirements for physical education.
3. Gum chewing is not allowed.
4. In the event of illness or injury, students must come to class and present a note from a doctor explaining the nature of the illness or injury and designate length of non-participation. For illnesses or injuries that excuse a student from more than three classes, a medical note indicating when the student may return to full or modified activity is required.

## **SPECIAL PROGRAMS**

### **GIFTED AND TALENTED PROGRAM**

The G&T Department offers a variety of opportunities for our students. In first and second grade, each child receives one enrichment class per week. Activities are designed to challenge students' creativity and to foster critical thinking and communication skills through interaction in language arts, math, and science. In third grade, students are evaluated for admission to a pullout program, which motivates them to enjoy learning and to develop their cognitive and creative thinking skills. The Grade 3 Discovery Program meets for one extended period or two periods each week. Selection process, entrance requirements, complaint process, parental/guardian requests for screening (by May 15<sup>th</sup>), curriculum, Policy and Regulation 2464 and program overview are found on the school website.

<https://www.rutherfordschools.org/schools-and-departments/gifted-and-talented/>

## **SPECIAL EDUCATION**

The Board of Education provides an appropriate education to children who are disabled physically, emotionally, intellectually, or socially to such an extent that, without the aid of a special education and related services, they would be considered educationally disadvantaged. An individualized educational plan (IEP) will be prepared for each classified student and implemented, whenever possible, in the facilities provided by the district. The plan will provide for an appropriate education in the least restrictive environment and will allow the child's participation in the regular educational program to whatever extent is possible. All teachers must be familiar with the IEP for all students in their classes. All teachers are required to observe and implement the components of the IEP and the instructional guides. Members of the Child Study Team are available for consultation and support, as needed.

## **CHILD STUDY TEAM**

In order to ensure an effective program of special education for the classified students of the district, the Board of Education provides the services of a Child Study Team. The basic child study team consists of a school psychologist, social worker and a Learning Disabilities Teacher Consultant. Please refer to the Child Study Team referral procedures manual for more specific information or call the Supervisor of Student Services at ext. 7272.

## **RESPONSE TO INTERVENTION: Math and Reading (Grades K – 3)**

The RTI program provides tiered remedial instruction in math and reading. A child qualifies for the program on the basis of multiple measures, such as individual performance, scores and teacher recommendation. In addition to support provided within the classroom in math and literacy, support may also be provided in small group instruction rooms. Parents/Guardians will receive notification if their child would benefit from consistent participation in the RTI Program. See the RTI [link](#) on the school's webpage.

## **PUBLIC LIBRARY (Grades K – 3)**

It is important that we encourage our students to use the Rutherford Public Library as we teach them to learn how to read and to love to read. Children should be encouraged to get a library card. In order to have students become familiar with the library, each class will visit the library, meet the staff, and learn how to select a book at least twice a year. It is a caregiver's responsibility to make sure all items are returned by the posted dates.

## **APPROVED FIELD TRIPS**

Every class at each grade level will attend a trip. Caregivers will have to sign a permission slip so their child/children may attend the trip. The permission slip will have all the pertinent information. Students not attending the trip should still report to school. If the cost of the trip is a financial burden, please reach out to the building principal.

## **SCHOOL LUNCH PROGRAM - [www.payschoolscentral.com](http://www.payschoolscentral.com)**

The Rutherford Board of Education is concerned about the safety and supervision of elementary children during the school day. In order to address this concern, the student lunch period has

been included within the regular school day. Students will be expected to remain in school where they will be under the direct supervision of teachers and/or lunch monitors.

Students have the option of purchasing a hot or cold lunch or bringing their own lunches from home in the morning. The school does not heat up meals or provide utensils. Purchased lunches from Pomptonian are available starting in September. Because of food allergies, students should not share snacks or lunch.

Purchased lunch must be ordered on a monthly cycle through [www.payschoolscentral.com](http://www.payschoolscentral.com). This link is available on the website. Milk or water is included in purchased lunches. Forms and payment must be made by the date specified so that orders can be processed in a timely manner. All payments must be made on-line. Unfortunately, late orders cannot be accommodated. If a student is out ill, the caregiver may pick up a child's hot lunch between 11:00 a.m.-12:30 pm. Parents/Guardians have the option to withdraw a student for the entire year from the lunch period by completing a formal withdrawal form and returning it to the school office. For those students who are signed out of the lunch program, a responsible adult must accompany them to and from school at lunchtime. The adult assumes the responsibility of caring for the child during the full lunchtime.

*Students are not permitted to have soda in school and are strongly encouraged to have a healthy lunch and snack. Candy and items containing sugar as the first ingredient are not permitted unless approved by the principal as per BOE policy (8505) and NJ DOE.*

### **Special Occasions for Lunch**

Please send a note to the teacher or office stating that you (or someone else) will be picking up your child. The person picking up your child must come into the office and sign the child out. The child must also be escorted back into the building and signed in. A caregiver must accept supervisory responsibility for the duration of the period for that child. Parents/Guardians should inform children of their lunch plans prior to the start of the school day.

### **Expected Lunch Behavior**

1. There is no running in the lunchroom or classroom.
2. There is no throwing of food.
3. All students must listen to the staff.
4. Students must stay seated during the lunchtime while eating or while in the lunchroom.
5. Students may not leave the lunch area without permission.
6. Students cannot be physical with other students.
7. While talking is permissible, excessive noise is not.
8. All garbage must be thrown away. Children are expected to clean their eating area.
9. During playtime, students are expected to follow all playground rules and expectations.
10. Children are expected to show good table manners and always use appropriate language.

## **Recess**

The principal/supervisor makes every effort to have students go outside for recess during the lunch period. Students should bring hats, coats, mittens and a scarf. Please label all items. The *Child Care Weather Watch [grid](#)*, funded by the NIH and created for preschoolers, is consulted when determining outdoor recess safety.

## **Snacks**

Students may bring in a NUT-free snack for the day. There may be times when caregivers are asked to send in a second snack for a holiday or special class event.

## **BIRTHDAY CELEBRATIONS**

Students can celebrate their birthday in school! Parents/Guardians should inform the classroom teacher of the date of celebration. Students should bring in a small non-food item or have a caregiver read a book to the class. Other ideas are listed on the Acceptable Birthday Celebration list. This list is found on the website. Balloons are not permitted as they can set off the alarms. Invitations will not be distributed unless provided to all students in the class or all girls/ boys.

## **WHAT DO I DO IF MY CHILD FORGETS SOMETHING (GLASSES, LUNCH, HOMEWORK) AT HOME?**

Secretaries will call home if a child forgets their lunch or glasses. They will not call home for sneakers, homework, textbooks, library books, or games. If anything is forgotten at home, the caregiver may bring it in and drop it off at the main office. You cannot bring the item to your child's classroom.

## **HOW CAN I AVOID THE LOSS OF MY CHILD'S PERSONAL PROPERTY?**

Please label everything that belongs to your child - lunch box, clothing, games, etc. Be sure that all books have names printed in the front. Children should not bring to school any items of value. Hand-held devices, collectibles and large amounts of cash should remain at home. SmartWatches and phones must be turned off and remain in a student's backpack during the school day. Any violation will result in the confiscation of the item. It will either be returned by the staff to the caregiver or be held and returned on the last day of the school year. Students are responsible for all personal items brought to school. The school will not investigate lost/stolen items of value.

## **MAY STUDENTS HAVE PHONES AND SMARTWATCHES IN SCHOOL?**

SmartWatches and phones must be turned off and remain in a student's backpack during the school day. We need to make sure students are not exposed to unfiltered searches and disruptions.

## **ATTENDANCE REGULATIONS**

New Jersey State Statute - "Every parent, guardian or other person having custody and control of a child between the ages of 6 and 16 years shall cause such child regularly to attend the public schools of the district or a day school in which there is given instruction equivalent to that provided in the public schools. A parent, guardian or other person having charge and control of a

child between the ages of 6 and 16 years, who shall fail to comply with any of the provisions of this article relating to his duties shall be deemed to be a disorderly person, and shall be proceeded against.”

Attendance Required 18A:38-25

### **Student Attendance Requirements - Rutherford**

1. Parents/Guardians are to call the school secretary before 8:30 a.m. or email [lincolnattendance@rutherfordschools.org](mailto:lincolnattendance@rutherfordschools.org), [washingtonattendance@rutherfordschools.org](mailto:washingtonattendance@rutherfordschools.org), or [kcenterattendance@rutherfordschools.org](mailto:kcenterattendance@rutherfordschools.org) if their child is going to be absent. Please do not email the classroom teacher as the teacher may be absent. Upon returning to school, the student must deliver a note written by the caregiver explaining each day of absence. Should the parent/guardian not telephone the school, the school will contact the parent/guardian at work or at home to verify the child's absence from school. We do need to inform the Rutherford Police Department if we do not hear from a parent/guardian verifying the absence. This is an essential safety measure. Please help us by calling or emailing the school.
2. Daily attendance is a requirement for every grade. Students who are absent more than 18 days are retained. An appeals process is available to parents/guardians.
3. The office will mail letters of notification to parents or guardians alerting them of the danger of the student noncompliance with the attendance requirements. Letters will be mailed after the 10th absence and again after the 15th absence.
4. At times some illnesses are treated by a doctor and it may become necessary to substantiate these absences during an appeals hearing. Therefore, medical documentation must be submitted upon the child's return to school, where they will become part of the student's permanent attendance record. The school will not honor retroactive medical excuses from doctors.
5. Written excuses from parents/guardians are due as soon as students return to school.
6. All students who enroll in school after the opening of school shall have the number of allowable absences prorated accordingly.
7. Absences incurred because of family vacations will not be excused.  
Classwork/homework is not given ahead of time for travel. The student(s) will receive missed work when they return to school.
8. State law requires a minimum of four instructional hours for a student to be recorded present. When school is operating as a one-session day, a student must be present at least two hours to be considered present for a full day of school.
9. A student who does not attend school is not permitted to participate in school-sponsored events such as athletics, performances, and social events.

10. Students that arrive late to school disrupt instruction. It is imperative that students arrive on time. The principal will monitor late arrivals. Students will receive detention on the sixth tardy, and then after every third tardy. A parent/guardians conference will be held to address the tardiness.

11. Excused absences are only granted for religious observances identified by the state, college visits, Bring Your Child to Work Day, observance of Veterans' Day, participation in district board of election membership activity, and student's required attendance in court.

## **REFERRALS TO THE NURSE**

1. All student accidents are to be reported to the school nurse promptly.
2. Medical notes from physicians related to excusing students from physical education/outdoor recess must be presented to the school nurse for processing. The nurse and/or parent/guardian are responsible for notifying the physical education teacher.
3. It is essential that student health records be kept up to date. Noncompliance with the State Health Code (failure to produce verification of inoculations, doctor's certificate, etc.) could lead to exclusion from school. Updates of immunizations should be given to the nurse to keep a current record in the student's file.
4. The nurse does not supply medication to students.

## **Administering Medication in School**

Until all necessary approvals have been secured, no medication shall be administered to pupils by the school nurse. Forms for administering medication can be secured from the school nurse.

## **Medication Requirements:**

1. The parent/guardian must submit a written order (signed and stamped by the physician) for the medication from the student's physician explaining the following:
  - a) purpose of the medication
  - b) dosage of the medication
  - c) time the medication is to be given
  - d) length of time for which the medication is prescribed
  - e) name of medication
2. Medication must be delivered to the school nurse by the parent/guardian in its original container with a pharmacy label.
3. A parent/guardian must submit a written request to the school nurse to administer the medication as prescribed by the family physician and shall release the school personnel of any liability. Please note: Nonprescription, over-the-counter remedies such as aspirin, eye drops, creams, allergy medications, etc., are medicines. Any use in school must be prescribed by a physician, and requested via the above procedure.

## **Sick Children**

Children should not be sent to school when any of these symptoms of illness are present:

- 1) Temperature of 100 degrees F or higher
- 2) Coughing frequently
- 3) Sore throat - (look to see if red)
- 4) Discharge from eyes or red eyes
- 5) Rash on body, face
- 6) Diarrhea/vomiting, nausea

It is a sound health practice to keep your child at home until an elevated temperature has returned to normal and nausea, vomiting or diarrhea has subsided for 24 hours to indicate wellness. The school will follow CDC and local health department guidelines to maintain a healthy school environment.

Parents/guardians/emergency contact must pick up ill children within 30 minutes from the time the call is placed. It is imperative parents/guardians have a local emergency contact.

## **How do I contact the nurse?**

The school nurse may be contacted in the same way that you contact any staff member - phone, email, or by letter. The nurse at Lincoln School is Ms. Diane Moldez (extension 6277). The nurse at Washington School is Ms. Lynn McShane (extension 5332). The nurse at the Kindergarten Center is Ms. Erica Farrell (extension 7278).

## **Important Health Information- Rutherford Schools**

Each student interested in purchasing insurance must return the policy form and payment directly to the insurance company.

## **RESPONSIBILITY FOR SCHOOL MATERIALS**

All students are issued books and/or materials at the beginning of the year for which they are responsible during the year. These materials must be returned at the end of the year. Failure to return school property in the same condition as issued will lead to the levying of fines. These fines are necessary to replace lost or damaged instructional materials. Final report cards, transcripts, schedules, etc., will be withheld if books, materials, or monies are owed. All school books should be covered. Any student who intentionally damages a computer or electronic device will be held responsible for the costs associated with repair or replacement.

## **IMPORTANT POLICIES ESTABLISHED BY THE RUTHERFORD BOARD OF EDUCATION**

All policies of the Rutherford School District may be found on the district's website. Hard copies can also be found at the Board office. Included in this manual is the policy regarding the student dress code.

## **EMAIL USE**

The following guidelines are provided to assist staff and community members to utilize e-mail effectively in an educational setting. Email can be used for clarification of assignments, due date questions, field trip questions, requests for a phone call, or notes. *Google Classroom* is also a source of information for caregivers and students.

1. Be sure to put the topic of your email in the subject heading. Teachers and staff often delete emails from addresses they do not recognize in an effort to avoid SPAM.
2. Email is not to be used for discussions, discipline issues, student information (privacy laws), and anything of a time-sensitive nature.
3. To email a member of the faculty, click on the staff member's email address in the Email Address section of the school's website or type the person's first initial and last name followed by @rutherfordschools.org.
4. Please be sure to sign your name and give email addresses or phone numbers so that teachers/office staff can respond back to you. Please include the student's last name if it is different from yours.
5. Anonymous emails will not receive a response.
6. Please allow teachers and staff one business day (24 hours) to respond to your email prior to making a second contact.

## **RUTHERFORD - STUDENT DRESS CODE: Policy 5511 Dress and Grooming**

The Rutherford Board of Education believes that the clothes students wear ought to be appropriate within reasonable limits and ought not to be in any significant way distracting from educational activities.

Students are expected to attend classes in clothing that is neat and clean. The school authorities have no intention of dictating the specific types of hair styles and grooming to be worn by the students. However, certain common sense rules should govern the manner in which students are groomed for class, for school social affairs, and for off-campus school activities.

The Principal or designee will deem the following types of clothing inappropriate:

1. Extremely low cut, transparent clothes, bare midriffs, revealing undergarments.
2. Dresses, skirts or shorts that are shorter than mid-thigh; spandex shorts are not acceptable except in gym class.
3. Hats, headbands, bandannas and sunglasses unless for medical or religious reasons (documentation may be requested).
4. Clothing, patches, or symbols which contain profane, obscene, offensive, and inappropriate language, references to alcohol, sex, tobacco or drugs; or demeaning references to specific gender, nationality, ethnicity, race, or religion.
5. Outdoor jackets or coats except when entering or leaving the building.

6. Footwear that is considered unsafe or dangerous. Footwear must be secure so as not to fall off a child's foot. Example, sandals must have a strap covering the back of the foot.

Implementation of Policy:

1. When a pupil is not in compliance with the student dress code, the teacher or other staff member shall send the pupil to the Principal or designee with a written report.
2. The Principal or designee, after discussion with the pupil, shall contact the caregiver. The caregiver shall be requested to bring a change of clothing to the school to enable the pupil to return to class.
3. If the caregiver is unable to bring a change of clothing, the pupil shall be sent to another area where he or she will be given the assignments for the day.
4. Repeated offenses shall be cause for suspension and/or any other disciplinary action deemed necessary by the Principal or designee.

## **STUDENT DISABILITIES - SECTION 504 – Policy 2418**

The Board recognizes that a student may qualify for a 504 plan if the student:

- A. has a physical or mental impairment which substantially limits one or more of such person's major life activities,
- B. has a record of such an impairment, or
- C. is regarded as having such an impairment.

All individuals eligible for services under the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1400 et seq.) are protected under Section 504. Individuals who are not eligible for services under IDEA may nonetheless be eligible for services under Section 504.

Evaluation:

In compliance with federal law, the Board directs that students disabled pursuant to Section 504 be identified, referred to and evaluated by a Section 504 Committee, and that a determination of eligibility for accommodations of the regular program be made. The Section 504 Committee shall consist of a group of persons which includes persons knowledgeable about the child, persons knowledgeable about the meaning of evaluation data, and persons knowledgeable about placement options. In making placement decisions, the 504 Committee shall draw upon a variety of sources including aptitude and achievement tests, teacher recommendations, physical condition, social or cultural background, and adaptive behavior. The 504 Coordinator shall establish procedures to ensure that information obtained from all such sources is documented and carefully considered.

Procedure:

A student's parents/guardians shall be notified in writing before the Section 504 Committee evaluates a student who has been referred for a suspected disability pursuant to Section 504. The 504 Committee shall involve parents/guardians in all identification, evaluation and educational placement decisions when creating the 504 plan. Parents/guardians shall have an opportunity to examine all relevant records. A Section 504 evaluation meeting shall be held which shall provide an opportunity for participation by each student's parents/guardians as well as representation by counsel.

The student's parent/guardian shall be notified of the Section 504 committee meetings at least ten (10) days in advance. The Section 504 Committee shall consider all relevant information concerning the student to determine whether the student is disabled under Section 504. Information may include reports from physicians, observations from parents/guardians, teachers, school personnel, results of standardized tests, etc.

The 504 Committee shall determine whether the student qualifies under Section 504 and, if so, develop a written accommodation plan describing what accommodations, services or programs will be provided to meet the student's needs. The determination and, if applicable, education plan of the 504 Committee shall be submitted to the parent/guardian in writing. The 504 Committee shall meet annually to review the student's accommodation plan. In addition, prior to any significant changes in placement, a reassessment of the student's needs shall be conducted. Accommodation plans terminate annually and shall be annually reviewed before re-approval for the subsequent school year. Parents or guardians who disagree with the identification, evaluation or placement of a student with disabilities shall have the right to request a due process hearing pursuant to the procedures set forth in Regulation R2418.

More information regarding this policy can be found on the district website, under the BOE [Policies](#) section. For Lincoln School, Ms. Diane Moldez serves as 504 Officer; Ms. Lynn McShane is Washington School's 504 Officer; and Ms. Erica Farrell is the 504 Officer for the Kindergarten Center.

## **HARASSMENT, INTIMIDATION, OR BULLYING**

HIB Coordinator for the district is Ms. Michelle Perez Hoen.

The Anti-Bullying Coordinator for Lincoln School and the Kindergarten Center is Adriane Freudenberg.

The Anti-Bullying Coordinator for Washington School is Doreen Solter.

*For more information, see the district's website [Quick Links - HIB Information](#)*

In order to maintain a safe and civil school environment, the Rutherford Board of Education prohibits acts of harassment, intimidation, or bullying, which (like other disruptive or violent behaviors) is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment.

Acts of harassment, intimidation, or bullying against any pupil or staff member will result in the disciplinary sanctions included in policies on suspension and expulsion and conduct/discipline.

Harassment, intimidation, or bullying are defined as any gesture or written, verbal, physical act or any electronic communication, whether it be a single incident or a series of incidents, that is reasonably perceived as being motivated by any actual or perceived characteristic such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical, or sensory disability, or any other distinguishing characteristic, that takes

place on school property, at any school-sponsored function, on a school bus, or off school grounds as provided for in section 16 of P.L. 2010 c. 122 and supplementing P.L. 2002 c.83 (C.18A 37-13 et seq.) and chapter 3B of Title 18A of the New Jersey Statutes that substantially disrupts or interferes with the orderly operation of the school or the rights of other students and that:

- a. A reasonable person should know, under the circumstances, will have the effect of physically or emotionally harming a pupil or damaging the pupil's property, or placing a pupil in reasonable fear of physical or emotional harm to a person or damage to one's property; or
- b. Has the effect of insulting or demeaning any student or group of students; or
- c. Creates a hostile educational environment for the student by interfering with the student's education or by severely or pervasively causing physical or emotional harm to the student.

An electronic communication is a communication transmitted through the use of electronic means including but not limited to telephone, cellular phones, computer, pager, email, instant messaging, text messaging, Internet blog, Internet chat room, Internet postings and website.

Board policy requires all students in the district to adhere to the rules and regulations established by the school district and to submit to such disciplinary measures as are appropriately assigned for violation of these rules.

Any school employee, pupil, or volunteer who has witnessed harassment, intimidation, or bullying or has reliable information that a pupil has been subject to harassment, intimidation, or bullying must report the incident to the building principal. The Board shall not tolerate an act of reprisal or retaliation against any person who reports an act of harassment, intimidation, or bullying.

Students will be disciplined based on the circumstances. A student may be suspended.

## **SCHOOL SECURITY**

The district meets annually to review security procedures. The Rutherford Police Department is an extensive resource for the school. While all plans cannot be posted, caregivers should know that students practice shelter in place, evacuations and fire drills during the year. We are mindful of the age of the students and keep our discussions age-appropriate. Students practice exiting the building if the fire alarm sounds once a month and a security drill once a month. Caregivers will be notified when a security drill is held. The school has a Crisis Team and reviews procedures with the staff annually. The RPD visits the schools often to check on security and to get to know our students. If the school does need to evacuate for any number of reasons, the superintendent would send out information via the Blackboard Connect System. Caregivers should not come to the school or call as this will take resources away from the students and staff.

## **BUS BEHAVIOR GUIDELINES**

All students transported on a bus operated by the Rutherford Board of Education are required to maintain standards of conduct generally equivalent to those normally expected in a classroom.

Behavior in the areas of student interaction, courtesy, care of equipment, and safety must be maintained. Please review these standards with your children.

## **INTEGRATED PEST MANAGEMENT**

This notice is being distributed to comply with the New Jersey School Integrated Pest Management Act. Rutherford Public Schools has adopted an Integrated Pest Management (IPM) Policy and has implemented an IPM Plan to comply with this law. IPM is a holistic, preventive approach to managing pests that is explained further in the district's IPM Policy.

All schools in New Jersey are required to have an Integrated Pest Management Coordinator (IPM Coordinator) to oversee all activities related to IPM and pesticide use at the school. The IPM Coordinator for Rutherford Public Schools is John Gamboa Business Phone number: 201-438-7675 Business Address: 176 Park Ave Rutherford NJ 07070

The IPM Coordinator maintains the pesticide product label, and the Material Safety Data Sheet (MSDS) (when one is available), of each pesticide product that may be used on school property. The label and the MSDS are available for review by a parent, guardian, staff member, or student attending the school. Also, the IPM Coordinator is available to parents, guardians, and staff members for information and to discuss comments about IPM activities and pesticide use at the school.

As part of a school pest management plan, the school district may use pesticides to control pests. The United States Environmental Protection Agency (EPA) and the New Jersey Department of Environmental Protection (DEP) register pesticides to determine that the use of a pesticide in accordance with instructions printed on the label does not pose an unreasonable risk to human health and the environment. Nevertheless, the EPA and the DEP cannot guarantee that registered pesticides do not pose any risk to human health; thus, unnecessary exposure to pesticides should be avoided. The EPA has issued the statement that where possible, persons who are potentially sensitive, such as pregnant women, infants and children, should avoid unnecessary pesticide exposure.

The following pesticides have been used at the Kindergarten Center in the past 12 months:

*EPA Registration Vendetta Nitro Cockroach Bait Clothianidin 1021-2796.*

The following pesticides have been used at Washington School in the past 12 months:

*Final All Weather Blox Brodifacoum FB #160*

There were no pesticides used at Lincoln School in the past 12 months.

## **ASBESTOS HAZARD EMERGENCY RESPONSE ACT (AHERA) REGULATIONS**

The AHERA regulations have been in effect for over twenty years. The designated person performs semi-annual inspections to monitor the Asbestos Containing Building Materials (ACBM) found in our schools. On a tri-annual basis the designated person surveys the facilities and updates the management plan in compliance with prevailing regulations. Our designated person and trained maintenance and custodial staff perform ongoing monitoring of conditions and are trained to report any changes in those conditions.

Our AHERA Asbestos Management Plan (AMP) is available for public inspection in the building's main office or in the Board of Education office. Please call if you wish to make an appointment to review the plan.

# Annual Integrated Pest Management Notice

## For School Year 2024 - 2025

Dear Parent, Guardian, or Staff Member:

This notice is being distributed to comply with the New Jersey School Integrated Pest Management Act. [insert name of school or school district] has adopted an Integrated Pest Management (IPM) Policy and has implemented an IPM Plan to comply with this law. IPM is a holistic, preventive approach to managing pests that is explained further in the school's IPM Policy included with this notice.

All schools in New Jersey are required to have an Integrated Pest Management Coordinator (IPM Coordinator) to oversee all activities related to IPM and pesticide use at the school.

The IPM Coordinator for Rutherford Board of Education is: John Gamboa

Name of IPM Coordinator: John Gamboa

Business Phone number: 201-939-1717

Business Address: 176 Park Avenue Rutherford, NJ 07070

The IPM Coordinator maintains the pesticide product label, and the Material Safety Data Sheet (MSDS) (when one is available), of each pesticide product that may be used on school property. The label and the MSDS are available for review by a parent, guardian, staff member, or student attending the school. Also, the IPM Coordinator is available to parents, guardians, and staff members for information and to discuss comments about IPM activities and pesticide use at the school.

As part of a school pest management plan Rutherford Lincoln School may use pesticides to control pests. The United States Environmental Protection Agency (EPA) and the New Jersey Department of Environmental Protection (DEP) register pesticides to determine that the use of a pesticide in accordance with instructions printed on the label does not pose an unreasonable risk to human health and the environment. Nevertheless, the EPA and the DEP cannot guarantee that registered pesticides do not pose any risk to human health, thus unnecessary exposure to pesticides should be avoided. The EPA has issued the statement that where possible, persons who are potentially sensitive, such as pregnant women, infants and children, should avoid unnecessary pesticide exposure.

The following pesticides have been used at this location in the past 12 months:

Trade Name	Common Name	EPA Registration #
